

# Invitation for Limfjordsstævnet: World Cup in F2A and F2D

Aviator Aeromodellers hereby invites current and former model pilots in Denmark and throughout Europe for the Limfjordscompetition 2015.

This year, this tradition-rich tournament takes place Saturday 23.may and Sunday 24.may.

Competition rules follow FAI sporting code, and Danish rules for the national classes, **with the latest changes and additions from [www.modelflyvning.dk](http://www.modelflyvning.dk)**  
The speed/race pilotcenter will be renewed.

The competition is the largest control line model flying events within a radius of 1000 km, with many participants of high class.

Rally hallmark is that "we're all doing it to have fun," although being fought at a high international level, there is plenty of room for beginners who want to sniff the international atmosphere.

It is as usual free to camp at the tracks in "rough", behind the clubhouse, space is limited and on a "first-come," basis, the conditions are primitive, but the clubhouse offers the basic facilities: WC and hot water, now with shower capability.

The fight are for gold, silver and bronze medals, as well as hiking trophies to the winners.
